MULTI-BRAND RENTAL

Gestopo, SC offers rental and sales services for surveying instruments, with the advantage of including all brands currently available on the market.

If you need to rent or buy a surveying instrument, then simply tell us the features of the instrument and we will find you the best market price of the different brands.

The brands we have available include Topcon, Leica, Trimble and Stonex.

Of course, you will always receive advice and technical support for whichever brand you
